Welcome to the Journey of a Lifetime!

We at Friends International Christian University are ready to assist you on your journey to wisdom, knowledge and growth in the Word of God.

As I write this letter today, so many great and wonderful things are being brought about by the will of our Lord and Savior! I would like to take a moment to share the vision with you. Allow me to convey a little of the excitement we feel here at the Headquarters of Friends International Christian University. I am positive you will be praising the Lord along with us at his amazing and miraculous blessings; and you will long to be a part of this wonderful ministry.

Friends International Christian University [FICU] is the parent body of many colleges and institutes. FICU was established in 1978. Friends International Christian University was developed to offer two types of education. The first being post graduate independent, as well as on-site studies for Pastors and Christian Leaders. Second, the installation and administration of Affiliate Bible Colleges and Institutes located within small and large churches across the United States, as well as internationally. This process is available to offer biblically based education to lay ministers and Christian workers.

The education offered by FICU and FICU Affiliate centers is Bible based, Christ oriented, and the curriculum references all subjects of Biblical orientations. Friends International Christian University was established to be a helping hand, a unifying bond, so that ministries everywhere can carry out the work and continue on the path that God has set them upon. FICU has Affiliate Centers across this great nation, and around the world.

Friends International Christian University has elected to maintain a private accreditation association, free from Regional or National Control. Doing so, would negatively impact our programs that operate outside of the United States. FICU was founded to educate, enlighten and expand the knowledge of Pastors, Teachers, Evangelists, Prophets and to all those who have a calling from God all over the world.

FICU believes in the American Constitution, and the ability to exercise our rights of Freedom of Religion as set forth by the founding fathers of this great nation. As those who signed the Constitution and Declaration of Independence, we are in total agreement with their declaration "In God We Trust".

The time has come that we equip ourselves fully in the knowledge of Christ. To not only go out and preach to other nations, but to save our nation. The United States of America is entering into a massive phase of revival. Many citizens are turning to God today, more than at any time in our lives. We would like to assist you in becoming prepared to handle your very important part that God has planned for you.

Pray about this today, we will stand in agreement with you, that the Lords direction will be readily revealed to you, whether God directs you to FICU or to another school. We are excited for you and FICU may very well be a part of Jesus' plan for you. Get ready for a journey of a lifetime

Sincerely in His & your Service

Edward N. Michaelson, Ph.D.
Founder, President and CEO

Philosophy

FICU is committed to education, the education of persons preparing for service in Christian ministry. We place our confidence in the Comforter, which is the Holy Ghost, whom the Father has sent in the name of Jesus, to teach us all things.

FICU is committed to train ministers to assume the role of Friends, as portrayed in John 15:15, in the Holy Bible.

FICU believes John 15:16, “ye have not chosen me but I have chosen you, that ye should go and bring forth fruit, and that your fruit should remain; that whatsoever ye shall ask of the Father in my name, he may give it you these things I command you, that ye love one another.” John 15:17

Through the study of the “Word,” and the leading of the Holy Spirit, (that will lead us into all truth), we commit our study and training; the Word of God is our major test in all training. John 15:17, “sanctify them through thy truth,” “thy Word is truth.”

FICU will award degrees for completion of a prescribed course of study. It is our conviction that every minister must continue to learn in order to be an effective Friend. Every minister, regardless of the educational background or geographical location, should have equal opportunity to be more effective. **FICU** is committed to being a Friend who helps this process of education to become an opportunity to many.

Statement of Doctrine

We Believe:

That the Bible, consisting of all the books of the Old and New Testaments, is the Word of God, a supernaturally given revelation without error or misstatement in moral and spiritual teachings and record of historical facts.

In the Trinity — that the eternal God manifests Himself in three persons: God the Father, God the Son, and God the Holy Spirit; and that these three are one God, but separate in personality and work.

In the deity of our Lord Jesus Christ, in his virgin birth, in his sinless life, in his miracles, in his vicarious death and atonement through his shed blood, in his bodily resurrection, in his ascension to the right hand of the Father, and in his personal and visible return in power and glory.

That man was created in the image of God that he was tempted by Satan and fell, and that because of the exceeding sinfulness of human nature, regeneration by the Holy Spirit is absolutely necessary for salvation.

That the Holy Spirit, the Third Person of the Trinity, though omnipresent from all eternity, took up his abode in the world in a special sense on the day of Pentecost according to the divine promise and dwells in every believer; and that the gifts of the Spirit and the fruit of the Spirit in the lives of believers are visible demonstrations of His presence.

In the bodily resurrection of both the saved and the lost: those who are saved unto the resurrection of life and those who are lost unto the resurrection of damnation.

That God’s plan for this age as expressed in the great commission involves the evangelizing of the world through the witness of every believer in Jesus Christ, the making of disciples through the teaching of His Word in the local church as a means of accomplishing His purpose.

Teaching Faculty

FICU obtains much of its Bible Curriculum and study material from World Society of Scriptural Knowledge, and have the benefit of renowned Evangelical Scholars. Some of these scholars have gone to receive their great reward, but their works will continue to be an inspiration and source of invaluable knowledge. Learn the Bible from these famous teachers, and many more. A joint effort of over thirty evangelical scholars!

Affiliate Center Information

Affiliate division is the administrative umbrella under which the Affiliate Center framework is structured. **FICU** is actively seeking churches of all Christian denominations to participate in this program. Through our Affiliate Center program, a church will be evaluated to determine its compatibility with the **FICU** Statement of Faith, Educational Objectives and Philosophies. Affiliate Center candidates are required to apply for consideration. To receive an Affiliate Center Packet, please call (800) 509-7009 or email FLadmissions@ficu.edu.

If the candidate church meets the criteria set forth by Friends International Christian University and agrees to hold to the administrative and financial guidelines for an on-site resident education program, a charter will be issued. This charter will allow the church, to operate as an affiliate center of Friends International Christian University, thus giving all participating students the ability to transfer earned credit directly to **FICU** for degree eligibility.

This system of Affiliation allows a greater number of people to benefit from a Christian education than any one college could serve alone. Each Affiliate Center will become a direct affiliate campus of **FICU**. This allows all **FICU** programs to be available to anyone attending the church as well as those in the surrounding community to benefit from the programs offered. Potential students must qualify for admission and meet standards and academic requirements set up by **FICU**. All credits, classes and seminars completed at any Affiliate Center will be given full credit and this credit will be applicable to any Degree Program **FICU** has to offer.

Mission Centers

Friends International Christian University has many affiliate centers, located around the world. Many approved centers are Mission Centers.

The students attending receive their education for little or no cost, giving students the opportunity to learn about God and further their personal knowledge in the Bible. **FICU** has many opportunities to help student through hands on learning. Call today and find out how you can begin an Affiliate Center, anywhere in the world.

Authorized Affiliate Centers

PLEASE BE ADVISED: The following list of affiliate centers may be incorrect at the time of your viewing. **FICU** is continuously installing new affiliate centers, and you may not find their name included. Some affiliate centers may no longer be affiliated, or some directors may no longer participate. All listed centers are or have been affiliated with **FICU**.

Independent Study

Friends International Christian University offers many types of curriculum to the FICU student. Students are welcome to apply for the Independent Study and Research Program, Distance Learning Program, or students may choose to attend an on-site program at one of FICU's many affiliate centers. When an Affiliate Center does not offer courses needed to complete a specific degree program, or there is not a center in the student's geographic area, a student may apply to complete their program by Independent Study. Tuition will be determined by the number of units needed to complete degree program selected.

Proficiency Exam

A student may request the opportunity to challenge any course that has a proficiency exam. Upon request, student will be informed of cost. Upon payment and successfully passing the exam, the student will receive credit for any course challenged.

The Covenant Agreement Program (Student Loans)

Interest free student loans are made available to each FICU student. The eligibility to receive an interest free university loan is based upon each student's direct financial need. All payment plans are referred to as Covenant Agreements. Covenant Agreements may be approved for as little as \$100.00 or more per month. There will be a fee of \$25.00 for every payment over 10 days late.

Confer with your academic advisor or directly with the FICU Admissions Office, if you wish to apply for a covenant agreement.

Each course offered by **FICU** is measured in semester units of credit. See the specific degree programs and course descriptions for the number of units of credit offered for each specific course. (The grade point stated for letter grade is used to calculate grade point average or GPA.)

Transfer Credit

All students are requested to submit sealed official transcripts for any courses or degree that they wish to be considered for transfer credit. Official transcript from any accredited college or university will be evaluated and acceptable credit will be applied toward the requirements of the various degree programs. All transcripts from any institution attended by the candidate may be submitted for evaluation. Only those grades or courses that the candidates wish to apply toward their degree (s) will be recorded in their file. Students who wish to have credits transferred must request transcripts be sent directly to:

*Friends International Christian University,
Post Office Box 3979
Merced, CA 95344-1979*

There is no charge for transfer or recording of credits. A maximum of 75% of undergraduate requirements will be accepted and 20% of graduate requirements. There may be a special assessment charge for evaluation and transfer of credits from a non-accredited institution.

Experiential Learning Special Assessment

Special Assessment is a method of evaluating knowledge in college subject areas where proficiency examinations are not appropriate. Special Assessment may take one of several forms, including oral, written, and the evaluation of portfolios of artistic or literary accomplishments. Special Assessment may also include non-collegiate training taken in Bible schools, seminars, correspondence courses, etc. Individuals who have taught college level courses, which are not duplicative of any courses that they have taken, will be awarded the number of credits earned by their students who successfully completed such course. Any enrolled degree candidates can request an evaluation of lifetime and experiential learning

Special Assessment Fee

A student will be required to pay a fee of \$32.50 per unit assessed undergraduate credit and \$97.50 per unit of graduate credit. A student enrolled in a Degree Program or Credit Bank may request special assessment by sending their request and detailed resume to the university.

Transcript of Records

FICU will supply a transcript upon graduation. Requests for additional transcripts must be submitted in writing and signed by the student. The student may submit the request by fax (209) 384-3251. The student shall provide current address information, as well as their social security number, if applicable. International Students are required to provide their assigned student number. There is a \$10.00 fee for each transcript requested. Students may use their credit card for this fee. Transcripts will not be released to students with debt owed to the university.

Right to Privacy

In order to protect the privacy of students and graduates records and to remain in compliance with the Family Education Rights and Privacy Act of 1974, **FICU** will not respond to personal or telephone requests to comment on or release any information relative to a student or graduate's program. Requests for confirmation of a student or graduate's current status must be submitted on professional stationery to establish a "reasonable need to know" status of the individual requesting the information. A student's name, degree program, dates of enrollment or a graduate's graduation date and/or degree title will only be provided. No additional information will be provided unless a release, signed by the student or graduate, is attached to the request for information.

Withdrawal and Termination

All requests to withdraw or terminate studies with Friends International Christian University must be submitted in writing by the student, before action is taken. The letter must state the reasons for the request. After review, the student will be informed of the disposition of the request by return letter. In the event of withdrawal or termination, any tuition refund due will be made in accordance with the terms of the tuition Refund Policy outlined in the Tuition Section of this Bulletin. **FICU** reserves the right to terminate a student from any program for any of the following reasons:

- ◆ Failure to demonstrate reasonable and successful progress toward learning goals established by the student and/or the University
- ◆ Failure to submit work according to standards specified in the manuals and instructions provided by **FICU**
- ◆ Plagiarism of the work of others, or the falsification of records, transcripts or course work documents submitted for review or credit
- ◆ False statements concerning a student's dates of enrollment
- ◆ Failure to maintain a tuition payment agreement

New Certificate Copy

FICU will issue a new certificate copy upon written request to the graduate. Students will be required to pay a fee of \$25.00 for each copy requested. Upon receipt of a written request, **FICU** will forward a new copy of the graduate's degree. **FICU** will not be responsible a change in the degree form or layout. **FICU** will not change the format to reflect a prior degree format.

Independent Individualized Program

The competency level of a prospective student is evaluated by review of the individual's application or admission and a portfolio which includes a detailed ministerial/occupational resume, official transcripts and other documents supporting previous academic work, and specialized training certificates. Evaluation of each individual's portfolio of documents is the key component for acceptance of an individual into an independent and individualized degree program for either undergraduate or graduate work. The evaluation is planned to determine whether an applicant has the appropriate educational background, occupational accomplishment and attitudinal motivation necessary to function effectively in an independent and individualized, innovative, educational environment. Motivation is a fundamental factor for determining whether an individual can successfully function in this type of learning situation.

Evaluation of Prior Learning Experience

After a student is enrolled, all acceptable previous college course work reflect on an official transcript, will be transferred in and all non-collegiate experience is reviewed to determine if the individual has adequate experience to justify the university awarding credit for prior learning experience. FICU will extend to the student the opportunity for the student to validate and provide validation through documentation, and verifiable evidence of competence for any of the courses required in the chosen program. Each student is required to submit a complete Student Portfolio, in accordance with the FICU Student Portfolio Guidelines.

The student will be required to submit evidence to their Academic Advisor that the Student has met the requirements for each Course. Additionally, at the undergraduate level, students may request "Credit by Experiential Learning" for General Elective courses and courses in their major. For areas where an adequate level of competence is identified, students will receive credit and receive advance standing. The student will be informed of the required course to complete their individualized program.

Students may request a copy of the Student Portfolio Guidelines through the FICU Admissions Office or their personal Academic Advisor. All students are individually evaluated by an Academic Advisor, then approval may or may not be gained through a vote by the Assessment Committee.

The Course Work and Supporting Textbooks

The course work required of the student may take one or a combination of several different procedures to complete. Course presentation may be in the form of textbook, video, audiocassette tape, or multimedia forum. The students Academic Advisor will determine the form of curriculum and grade assessment best suited to each individual student. Academic Advisors are required to use one of several standard forms of assessment of the individual knowledge of course content.

NOTE: all textbook, video, audiocassette, tape, or multimedia purchased is non-refundable.

The Research Project Thesis & Dissertation

- Bachelor's Degree students may select to write a Research Project as a form of meeting some course requirements.
- Master's Degree students will be required to write a Thesis. In a degree program requiring practicum, this thesis requirement may be waived. Students enrolled in a Masters/Doctoral program may also qualify for a waiver of this requirement. All Doctoral Degree students will be required to write a Dissertation. Students enrolled in a Professional Doctoral Program/Academic Program may request a waiver of dissertation in their program in lieu of practicum, if applicable. This waiver is granted on an individual case by case basis.
- Doctoral Candidates, upon consultation with their Academic Advisor, will select a topic for research which will be directly related to the student's Major in his or her program.

OBJECTIVES for writing the Research Project, Thesis and Dissertation are as follows:

To demonstrate the student's ability to select and isolate a topic worthy of research,

To demonstrate the ability to plan, research, analyze and logically present the findings or results of the research, and

To demonstrate the student's ability to present the entire research project in thesis or dissertation form, the format in which professional or scholarly research is presented to the academic and professional community.

The Proposal for the Thesis or Dissertation

All students must first develop a proposal for a topic that is appropriate for the major and the level of the Degree program in which the student is enrolled. The proposal must be presented according to the Dissertation Thesis and Writing Guide.

The proposal shall be submitted to the student's Academic Advisor and be approved by the university, before commencing research. Verbal discussion, advice, or instruction pertaining to a potential topic for research with the Student's Academic Advisor cannot be construed as an approval. The proposal must be submitted in written form in accordance with the Dissertation Thesis and Writing Guide.

After the proposal has been approved, the student may then begin the formal research and writing of the project. The student may contact their Academic Advisor with any questions or problems associated with research or writing. The student is encouraged to progress as swiftly as possible, with a minimum amount of supervision.

Doctoral candidates have twelve months to complete the Dissertation Project. Students unable to complete within this time frame may request an extension of six months, however they will be required to pay an additional fee of \$500.00

When the project is completed, the student will have one copy bound in a hardback, library style binding, with the title and the student's name embossed in gold on both the spine and the cover. The bound copy shall be presented to the University for permanent inclusion in the University's Research Project, Thesis and Dissertation Library. The bound copy will serve as permanent evidence of the student's ability to conduct professional and scholarly research

Bibliography / Supporting Research Project Thesis and Dissertation

When all the prescribed course work is satisfactorily completed, and the grade requirements have been met, the student will receive a letter so stating and a copy of the manual will be provided. The manual contains detailed instructions on presenting research. In addition, the manual has a model in the appendix to serve as an example of how the project, thesis, or dissertation is to be presented.

Upon acceptance of the committee of all work presented, the candidate will receive immediate acknowledgment of satisfaction of all graduation requirements. A formal Final Assessment Committee Report will be placed in the candidate's portfolio. The degree and official transcript will be mailed to the graduate upon receipt of the degree from the engraver.

Concurrent Degree Programs Bachelors/Masters

A Bachelor's Degree is ordinarily required to enter a Master's Degree Program. However, an applicant not holding a Bachelor's Degree may be offered an opportunity to concurrently earn both degrees if he or she meets the prerequisites listed below.

1. An applicant should have evidence of professional ministry or lifetime learning experience comparable to 60 or more units of bible/theology or general education credit within their major.
2. An applicant having five years full time leadership experience in the ministry can expect to meet the above requirements.

In this Concurrent Bachelors/Masters Degree Program, the student must complete the normal requirements for the Bachelor's and Master's Degree Programs, with one exception. Completion of the Bachelor's Research Project will be satisfied with completion of the Masters Thesis project.

However, if a student doesn't have the required lifetime learning experience, the Bachelor's Research Project requirement will not have been met until the Master's Thesis is completed, the Bachelor's Degree is not earned, nor can it be awarded until the Master's Thesis is completed.

The date reflected on the Bachelor's Degree will represent the date when the last requirement for course work is deemed completed by the Assessment Board, completing the program.

A Master's Degree is ordinarily required to enter a Doctoral Degree Program. However, an applicant not holding a Master's Degree may be offered an opportunity to concurrently earn both the Master's and Doctoral Degrees if he or she meets the prerequisites listed below:

1. An applicant must hold a Bachelor's Degree in the Major the Program for which the student is submitting an Application for Admission. A Bachelor's Degree in another field may be substituted if the evaluation of the applicants' entire learning background seems to indicate the student possesses the necessary foundation to succeed in the program.
2. An applicant having seven years full time leadership experience in the ministry can expect to meet the above requirements. In this Concurrent Masters/Doctoral Degree Program, the student will not be required to complete Masters Thesis Project. The Doctoral Dissertation will have satisfied this requirement.

However, if a student doesn't have the required lifetime learning experience, the Master's Thesis portion requirement will not have been met until the Doctoral Dissertation is completed, the Master's Degree is not earned, nor can it be awarded until the doctoral dissertation is completed and submitted to **FICU**.

FICU Student ID card

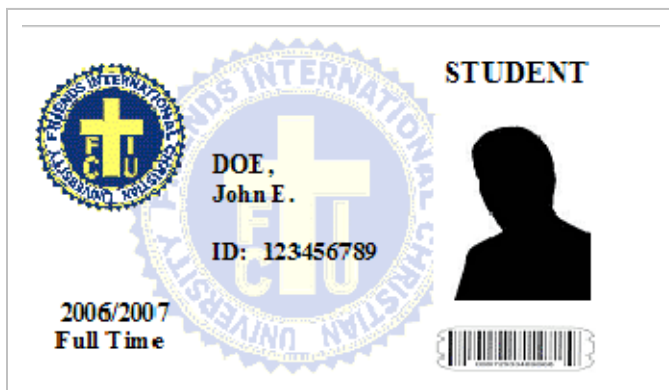

How do I get my FICU Student ID card?

Your Student ID card is available from the FICU Office of University Affairs only. You will need to complete enrollment and have your Student Tuition Covenant Agreement signed and accepted prior to receiving your ID card. For more information or to order your Student ID card call (800) 509-7009.

What information is on my ID card?

- The University's logo and name
- Your photograph
- Your name and ID number
- Full time or part time status
- Expiry date

What will my ID card look like?

Who needs an ID card?

All FICU students (commencing, continuing, and affiliate, international and transnational) will require an ID Card.

Terms and conditions of use

Friends International Christian University issues identification cards to students as proof of enrolment.

The FICU Student ID Card remains the property of the Friends International Christian University. You are responsible for returning the card if asked to do so. Once the student has graduated, ownership of the card belongs to the Student.

Your FICU ID Card is for your sole use and is only valid until the date shown on the card. You must not permit any other person to use your card.

Friends International Christian University issues identification cards to students as proof of enrolment only. Any attempt to obtain an FICU Student ID Card fraudulently or improper use of your FICU Student ID Card will be dealt with under the University, Statutes and By Laws.

Your FICU Student ID card is not valid if mutilated or damaged. If you lose or damage your ID card, replacement cards can be ordered by sending notice to the Office of University Affairs. Replacement cards are \$10.00 per card.

Expiry Date

The expiry date of each card is located beneath the University logo.

To obtain your replacement card you will need to send notice of your existing card's expiration date to the Office of University Affairs. Each student is responsible for notifying the University upon expiration of their Student ID Card.

Affiliate students

If you are an Affiliate Student, you may choose how to obtain your student ID card, either by notifying your Affiliate Center Office or contacting Friends International Christian University directly by sending notice to the Office of University Affairs.

International/Transnational Students

If you are a student studying internationally either through an Affiliate Center or directly with FICU or ICCU, your student ID card will look slightly different from the version shown above. There will be no reference as to whether you are studying full-time or part-time. The Program name will appear on your card.

Changes to enrolment status and/or address

If your student status changes between Full Time and Part Time, Active or Inactive it is your responsibility to contact the Office of University Affairs. If you change your address, it is your responsibility to notify the University by logging making the appropriate change in writing or by contacting the Office of University Affairs.
